Steve, Victor,

Attached, please find CRW's response to EPA's March 5th NMC comments. We're also providing a spreadsheet of the tables within the response in the event the shading is problematic for Tom.

As we corresponded yesterday, we're sending hardcopies as required by our PCD, but I'd appreciate if you would distribute to others within EPA, PADEP and DOJ in the event delivery isn't possible.

Take care,
Dave
